Re: ALLstate INS. Co v. Mirvis. 08-CV-4405
(PKC) (PK) (E.D.N.Y.).

Dear Magistrate Judge Peggy Kuo

On September 8th 2018 I have received a notice from "Morrison Mahony LLP," stating that the status conference will be held on September 24/2018. This notice does not indicate if my appearance is needed. I live in a state of New Jersey, and it's not easy for me to travel to Kings County. But, I will appear if you feel that there is a need for my appearance. I also would like to point out to you some important factors.

- 1). I have no objections in filling out the information subpoena.
- 2). I was never notified and instructed properly that I was ordered by court to fill out the information subpoena.
- 3). Long time ago I received information subpoena from: Stern & Montana LLP. But I was too emotionally disturbed to fill it out.
- 4). I then received correspondence from "Morrison Mahony LLP" which always was addressed to the court, but never gave me clear instructions on what should be done by me.

5). One of the correspondences that I received⁽²⁾ was sometime in August, indicating that they have served me with some kind of documents, but on Exhibit A sworn statement of service it says, that the documents were received by a relative, and description of a person unknown to me. It's me and my wife are the only people that live at this address.

Once again Judge, I have no objection to comply with information subpoena. Please advise on what my actions should be at this point. My contact info:
